**Ellendale High School  
Ellendale, North Dakota**

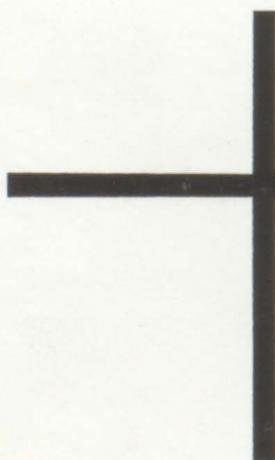

# Foreword

High School. What is it? A school dance, a basketball game, a bus ride, a term paper, - a lot of things. Whatever it means to you, high school certainly means memories; memories of what you want to remember.

Thus, we present to you, the student body of Ellendale High School, a book of memories, the 1967 Red Bird.

# Dedication

## Dedication

High School can be a hard and trying thing, but thanks to the help of many teachers like Mrs. Laura Vix, it goes much easier. Her support of our class in everything is well taken and we are proud to have been under her for so long. Also, her ability to teach coupled with her ideal personality has given us the highest example of what we are expected to be.

Thus, in recognition for all your help and support, we, the class of 1967, dedicate this annual to you . . . MRS. LAURA VIX.
